

Protection for your most valuable asset – your employees

Blue Cross and Blue Shield of Alabama and Able Benefit Solutions work together to deliver health and ancillary benefits that complement each other. Life, disability, and supplemental insurance plans are the foundation of a competitive benefits plan, providing employees and their families financial security. For employers, these plans provide a way to complement an employee benefits program that allows you to recruit and retain the talent you need to succeed.

Ancillary experience you can trust

With over 50 years of experience, Able Benefit Solutions offers a variety of group and voluntary supplemental products tailored to meet your needs while complementing major medical coverage.

Customized solutions

Able Benefit Solutions offers customized solutions for employers and their employees. Whether employer-paid, shared contribution, or employee-paid, we will work with you to find benefits options that best fit your needs. Provide employees and their families protection and peace of mind in the event of a death, disability, accident, critical illness, or hospital stay with supplemental coverage.
